

ENVIRONMENTAL POLICY STATEMENT

TMCH/IRCH is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement
- Actively promote recycling both internally and amongst its customers and suppliers.
- Meet or exceed all the environmental legislation that relates to the Company

TMCH/IRCH accepts responsibility for the harmful effects its operations may have on both the local and global environment and is committed to reducing them.

TMCH/IRCH will measure its impact on the environment and set targets for ongoing improvement.

TMCH/IRCH will comply with all relevant environmental legislation, and conditions enforced by local/district councils.

TMCH/IRCH will implement a system to allow for its staff to make suggestions regarding environmental issues to support the continual improvement of the Company's performance

TMCH/IRCH will encourage the adoption of similar principles by its suppliers.
