TO WHOM IT MAY CONCERN

I have been associated with the operations and moving of onshore drilling rigs for some years and use Ian Roebuck Crane Hire as our preferred supplier.

Often on a "without notice" basis Ian Roebuck Crane Hire are always obliging to assist without fuss and in a professional and "can do" manner.

Their knowledge in this field is demonstrated by their competent operators and well maintained machines.

I highly commend and recommend Ian Roebuck Crane Hire on their work performance and look forward to our continued relationship.

Yours faithfully

Don Bell
Area Manager
