

OIL PRODUCTION SERVICES LTD.

To whom it may concern

We have used Ian Roebuck Crane Hire Ltd for more than 20 years. We find their Crane Operators both competent and familiar with our Well Test equipment. This long association and the resultant familiarity with our equipment can often lead to savings in both time and money. This is especially noticeable in the skilled handling of our large Frac Tanks.

Regards,

Dave Ferens

Operations Manager
Vause Oil Production Services Ltd
